# USING ICT TOOLS IN EDUCATION

Your Mobility Partner

**PIC Number: 948037649 Organisation ID: E10207576**

## Course Overview

This course provides an overview of the effective use of Information and Communication Technology (ICT) in education. It explores various ICT tools and applications that can enhance teaching and learning processes, and how they can be incorporated into different instructional approaches.

---

## Course Objectives

- Increase teachers' skills to use ICT to assess formative learning, individualized teaching, access online resources, and encourage student interaction and collaboration.
- Increase teachers' basic ICT literacy skills and the use of ICT in pedagogical settings.
- Enable teachers to develop ICT capability in finding, selecting, and using information.
- Use ICT for effective and appropriate communication.
- Monitor and control events both real and imaginary.
- Apply hardware and software to creative and appropriate uses of information.
- Apply their ICT skills and knowledge to their teaching in other areas.
- Use their ICT skills to develop their language and communication skills.
- Make the teaching style that we adopt as active and practical as possible.
- Provide suitable learning opportunities for all children.

# Learning Outcomes

This course provides a comprehensive understanding of ICT in education, covering various tools and their integration into teaching methods. Participants will learn to enhance learning experiences, adapt to evolving educational needs, and create innovative, technology-driven learning environments. Upon completion, they will be well-prepared to contribute to a dynamic and effective educational landscape.

---

**Price:** All expenses can be covered through a Knowledge Acquisition (KA) subsidy within the Erasmus+ initiative. This is a 5-day training course in which Mobility Friends imposes a fee of **450 euros per attendee**, in courses located in the cities of the continent. For the Madeira and Azores, the price will be **480 euros**.

**Duration:** 1 Week (5-Day)

**Language:** English

**Schedule:** The time of classes, whether in the morning or afternoon is determined by the provider. The schedule may vary considerably based on participants' preferences and the trainer's discretion regarding any modifications.

**Certificate:** A Certificate of Attendance will be awarded to participants who attend minimum of 80% of the course.

**Cultural Activities:** The participants will have the opportunity to visit the most emblematic cities of Portugal (Porto, Braga, Guimarães, Aveiro, Viana do Castelo, and others). The cultural activity program may differ according to the participant's choices (the cultural visit is not included in the course price).

# PLANNER

## DAY 1
