

Communication Course

CULTIVATING COMMUNICATORS:
DEVELOPING SPEAKING SKILLS IN
CROSS-CULTURAL CLASSROOMS

Your Mobility Partner

PIC Number: 948037649 Organisation ID: E10207576

Course Overview

Embark on a transformative journey to enhance your skills as an educator in facilitating effective communication in cross-cultural classrooms. This 5-day training program is crafted to empower teachers with strategies, techniques, and cultural insights to foster confident and proficient speaking skills in students from diverse backgrounds.

Course Objectives

- Explore the impact of culture on communication styles.
 - Strategies for promoting cultural awareness in the classroom.
 - Creating a classroom atmosphere that encourages risk-taking and participation.
 - Strategies for fostering a positive attitude towards language learning.
 - Incorporating interactive methods to engage students in speaking activities.
 - Role-playing, debates, and collaborative projects as tools for language development.
 - Adapting speaking activities to be culturally sensitive.
 - Encouraging students to share their cultural perspectives through speaking exercises.
-

Learning Outcomes

Participants will explore the impact of culture on communication styles and strategies for promoting cultural awareness in the classroom. The course aims to guide participants in creating a classroom atmosphere that encourages risk-taking and active participation. Strategies for fostering a positive attitude towards language learning will be emphasized, along with incorporating interactive methods to engage students in speaking activities. Participants will learn to use role-playing, debates, and collaborative projects as tools for language development. The course will also cover adapting speaking activities to be culturally sensitive and encouraging students to share their cultural perspectives through speaking exercises
