# EMERGE ON PORTUGUESE EDUCATIONAL SYSTEM VISITING SCHOOLS

## Your Mobility Partner

**PIC Number: 948037649 Organisation ID: E10207576**

# Course Overview

Embark on a transformative 5-day exploration of the Portuguese Educational System, immersing yourself in the diverse and dynamic landscape of education in Portugal. From early childhood to higher education, this course offers a deep dive into the structures, policies, and practices that define the Portuguese education experience. Through a unique blend of classroom sessions and immersive school visits, participants will gain invaluable insights into the pedagogical approaches, curricular frameworks, and cultural nuances that shape education in Portugal.

---

## Course Objectives

- Explore Early Childhood and Primary Education.
- Navigate Secondary Education and Vocational Training.
- Grasp Higher Education Dynamics.
- Engage with Special Education Practices.
- Immerse in Practical Application.
- Apply theoretical knowledge through immersive visits to local schools.

# Learning Outcomes

Participants will explore early childhood and primary education, gaining insights into foundational principles. They will navigate the landscape of secondary education and vocational training, understanding the dynamics at play. Grasping the intricacies of higher education, participants will engage with special education practices. The course encourages immersion in practical applications, allowing participants to apply theoretical knowledge through immersive visits to local schools.

---
