PROJECT-BASED LEARNING: TRANSFORMATIVE STRATEGIES FOR ENGAGING EDUCATION

Your Mobility Partner

PIC Number: 948037649 Organisation ID: E10207576

Course Overview

Unlock the transformative potential of Project-Based Learning (PBL) with our 5-day training course designed to equip educators with the knowledge, skills, and confidence to implement dynamic and engaging projects in their classrooms. This immersive program is tailored for teachers seeking to revolutionize their teaching approach, fostering student curiosity, collaboration, and real-world problem-solving skills.

Course Objectives

- Understand the principles and benefits of Project-Based Learning.
 - Explore successful PBL examples and their impact on student engagement and achievement.
 - Learn to design effective PBL units, selecting relevant and meaningful project topics.
 - Develop project timelines and strategies for managing complexity.
 - Shift from a traditional teaching role to an effective PBL facilitator.
 - Cultivate a collaborative classroom environment and address group dynamics.
-

Learning Outcomes

Participants will gain an understanding of the principles and advantages of Project-Based Learning. They will delve into successful PBL examples, exploring their impact on student engagement and achievement. The course will equip participants with the skills to craft effective PBL units, choosing pertinent and meaningful project topics. Developing project timelines and strategies for handling complexity will be emphasized. Moreover, participants will transition from a conventional teaching role to becoming adept PBL facilitators. The course will also concentrate on fostering a collaborative classroom environment and managing group dynamics.

Price: All expenses can be covered through a Knowledge Acquisition (KA) subsidy within the Erasmus+ initiative. This is a 5-day training course in which Mobility Friends imposes a fee of **350€ per attendee, in courses located in the cities of the Continent and Madeira island. The fee for Azores Island is 480€ per attendee. The price includes the training course and a coffee break.**

For **groups of 5 or more people**, please contact us for pricing details.

Duration: 5-Day Course

Language: English

Schedule: The time of classes, whether in the morning or afternoon is determined by the provider. The schedule may vary considerably based on participants' preferences and the trainer's discretion regarding any modifications.

Certificate: A Certificate of Attendance will be awarded to participants who attend minimum of 80% of the course.

Other Services: Mobility Friends offers various services for you. We handle everything from accommodation to cultural visits and transfers. Contact us to learn how we can assist you with your travel logistics.

PLANNER

DAY 1

- Introduction to Project-Based Learning (PBL)
- Understanding the Principles of PBL.
- Definition and core principles of Project-Based Learning.
- Benefits of PBL for student engagement and learning outcomes.
- Overview of successful PBL examples.
- Designing Effective PBL Units.
- Key components of a well-designed PBL unit.
- Selecting meaningful and relevant project topics.
- Aligning projects with curriculum standards.

DAY 2

- Planning and Structuring PBL Units.
- Project Planning and Timeline.
- Breaking down a PBL unit into manageable stages.
- Developing a project timeline.
- Strategies for managing project scope and complexity.
- Assessment in PBL.
- Types of assessments in PBL.
- Designing authentic assessments that align with project goals.
- Rubric development for evaluating both process and product.

DAY 3

- Role of the Teacher in PBL
- Shifting from a traditional role to a facilitator.
- Strategies for guiding and supporting student inquiry.
- Creating a collaborative classroom environment.
- Group Dynamics and Collaboration.
- Effective team formation and management.
- Addressing challenges in group work.
- Fostering a culture of collaboration.

*Please note that program content may be subject to change based on input from our trainers.

PLANNER

DAY 4

- Leveraging Technology for PBL.
- Identifying appropriate digital tools for PBL.
- Integrating technology to enhance collaboration and research.
- Addressing digital equity in PBL.
- Showcasing PBL Success Stories.
- Teacher and student testimonials on successful PBL experiences.
- Sharing examples of PBL projects that have made a real-world impact.

DAY 5

- Reflecting on PBL Implementation.
- Teachers share their experiences with PBL implementation.
- Reflective exercises on successes and challenges.
- Strategies for continuous improvement.
- Creating a PBL Action Plan.
- Teachers develop individualized plans for integrating PBL into their classrooms.
- Setting goals and timelines for PBL implementation.
- Resources and ongoing support for PBL.
- Feedback and evaluation course.

*Please note that program content may be subject to change based on input from our trainers.
