

Communication Course

THE POWER OF STORYTELLING IN EDUCATION

Your Mobility Partner

PIC Number: 948037649 Organisation ID: E10207576

Course Overview

The "Storytelling in Education" is a dynamic 5-day course designed for educators seeking to explore and integrate the transformative potential of storytelling in their teaching practices. Through a combination of theoretical insights, practical activities, and technology integration, participants will embark on a journey to understand the art of storytelling, leverage it across subjects, and harness the capabilities of digital tools for impactful, inclusive education.

Course Objectives

- Grasp the fundamentals of storytelling and its impact on education.
- Learn to seamlessly integrate storytelling into various academic subjects.
- Gain proficiency in using technology for storytelling and interactive digital narratives.
- Explore ways to foster creativity and innovation through storytelling in the classroom.
- Understand how storytelling can contribute to creating an inclusive and diverse learning environment.
- Develop practical skills in assessing storytelling and create a personalized action plan for implementation.

Learning Outcomes

Educators participating in the "Storytelling in Education" course will delve into the transformative potential of storytelling over five dynamic days. The program combines theoretical insights, hands-on activities, and technology integration to guide participants in mastering the art of storytelling. They will learn to seamlessly incorporate storytelling across subjects and harness digital tools for impactful and inclusive education practices.
